

SKINMEDICA®

# A BREAKTHROUGH FOR BREAKOUTS

ACNE CLARIFYING TREATMENT  
+ PORE PURIFYING GEL CLEANSER

# DID YOU KNOW?

ACNE IS THE **MOST COMMON SKIN CONCERN** IN THE UNITED STATES.<sup>1</sup>

**86% of people aged 20-39 suffer with acne.**<sup>1</sup>

**Most traditional acne treatments** can be **aggressive** to skin, leaving skin **dry, tight and more susceptible** to the cycle of acne.

Compared to adolescent acne, **adult hormonal acne** requires a **more balanced treatment approach** than what is currently offered.

# BREAK THE CYCLE OF BLEMISHES

For adults suffering with acne, treating hormonal acne can be more difficult than expected.<sup>3</sup>

Current acne treatments can remove bacteria and sebum from the skin's surface completely, potentially damaging your skin's barrier, overall health and quality.<sup>4</sup> Sebum is beneficial to the skin when it is balanced in quantity and composition, and by focusing on balancing sebum in all its variations, we've created a breakthrough product for treating adult acne.

**Give your skin a healthier-looking glow and break the cycle of blemishes with our newest solution for hormonal acne that brings your skin to perfect harmony with balanced sebum and a respected barrier.**

SKINMEDICA®

# THE BLEMISH BUSTER

## SKINMEDICA® ACNE CLARIFYING TREATMENT

Meet our newest noncomedogenic treatment to **fight acne, reduce post-acne marks**, and **reinforce the skin barrier** for clear, healthy skin.

### CLINICALLY PROVEN RESULTS

In just 24 hours, reduces acne and visible redness associated with inflammation.<sup>5</sup>

In as early as 48 hours, fades post-acne marks.<sup>5</sup>

- + **New proprietary Sebum Balance Complex** includes 4 Botanicals + Bakuchiol to balance sebum, support skin health and clarity, and reduce the appearance of pores.
- + **Encapsulated 2% Salicylic Acid** releases over time to treat and prevent acne breakouts without drying out skin.
- + **2% Niacinamide** soothes skin and visible redness and supports a healthy, strong skin barrier.

The SkinMedica® approach to acne breaks away from the traditional approach to acne, giving more priority to addressing sebum composition and overall balance. Our approach to gentle exfoliation and skin renewal is ideal for reducing dead skin cell buildup and unclogging pores for a healthier-looking glow.

# POWERFUL PURIFICATION

## PORE PURIFYING GEL CLEANSER

**Gently cleanse and exfoliate** your skin while improving its appearance with our **nonirritating gel cleanser** formulated with **clinically proven ingredients**.

FORMULATED TO WORK WITH THE TREATMENT  
FOR OPTIMAL RESULTS

Clinically tested  
on all skin tones.<sup>5</sup>

- + **Antioxidants** offer gentle skin protection and restorative benefits to encourage longer-lasting skin clarity.
- + **Bakuchiol** targets discoloration, reduces visible redness and the appearance of post-acne marks.
- + **Salicylic Acid** gently exfoliates and minimizes the appearance of enlarged pores.
- + **Soothing botanicals Aloe and Olive Leaf** leave skin feeling soft and refreshed.

# A CLEAR MATCH
